EUGEO 2021

8TH EUGEO CONGRESS ON THE GEOGRAPHY OF EUROPE

June 28 – July 1, 2021, Prague, Czechia

Dear colleagues,

we are glad to confirm that **the 8th EUGEO Congress will be held in a hybrid form.**

As already announced, the Congress will be held at the Faculty of Science, Charles University, Prague from the 28th June to 1st July 2021. If you have decided to participate in person, please note, that because of the COVID-19 pandemic certain regulations will have to be followed to allow access to the congress venue.

At the moment, the presence in interior areas of the Faculty of Science remains subject to covering one's airways with a respirator with at least 94% efficiency (i.e., class FFP2 or KN95) in combination either with a negative test result certificate, or with a proof of having suffered from covid-19 during the past 180 days, or with a certificate of vaccination against covid-19.

In case of vaccination certificates, one of the following rules applies:

- a) at least 22 days have passed since the first vaccine dose was administered for a double dose vaccination scheme based on the summary of product characteristics ("SPC"), but not more than 90 days if the second dose has not been administered;
- b) at least 22 days have passed since the first vaccine dose was administered for a double dose vaccination scheme based on the SPC, but not more than 9 months if the second dose has been administered, or
- c) at least 14 days have passed since the first vaccine dose was administered for a single dose vaccination scheme based on the SPC, but not more than 9 months.

and the persons must also be free from covid-19 symptoms.

Before entering the congress venue, please check the actual measures published at the faculty website:
